

Full-time:Permanent and Contractor available

Location:Middlesbrough

Salary: DOE

Role: WordPress Developer

Tags:agency, digital,Development, SEO PPC, Sales

We are one of the UK's fastest-growing digital marketing agencies, with offices based in Middlesbrough, Edinburgh and London. Outrank has recently been awarded position 77 in the Great Place to work award for 20224. With a continually growing staff of over 30 dedicated Sales, SEO,PPC and Social Media Specialists, we are the biggest little online marketing agency around.

We are looking for a SEO consultant to join a small collaborative team who can help take the business to the next level. We are a fast paced, dynamic and innovative digital agency, looking for someone who embodies the same qualities.

Job Specification

We're seeking a skilled and self-motivated WordPress Developer to join our small and growing team. This is an in-house position. Full and part time applications considered.

Please include examples of work in your application where possible.

So, what's in it for you?

Well, we are a growing agency with big ambitions, looking for someone who wants to grow with them. You'll have the opportunity to work with some exciting brands and to make a real impact on the growth and success of our business.

You'll also be working in a fun and dynamic environment. With a team of passionate, creative and talented individuals. And, of course, you'll be well-compensated for your hard work and success. You'll get a competitive salary, benefits, and opportunities for advancement.

So, if you're a driven and ambitious Developer, looking for full time, part time or a contractor role and have a passion for all things WordPress and front end development, we want to hear from you!

Key Management Areas of Responsibility

- Supporting the Development team day-to-day and the long term.
- The development and maintenance of current web projects.
- Helping to drive forward and deliver web-based projects to deadlines.
- Daily support ticket work on behalf of our clients.

Required Skills and Knowledge

- WordPress, including WooCommerce and various page builders
- HTML / CSS
- A working knowledge of popular WordPress page builders
- Understanding of UX best practices
- Site deployment, hosting and domain management
- Excellent accuracy and attention to detail
- Great problem solving abilities
- Willing to try new approaches
- A pro-active, 'can-do' attitude to work where nothing is unsolvable!

Other Desirable Skills and Qualities

- Search Engine Optimisation - best practices
- Speed optimisation
- PHP
- JavaScript / jQuery and other web technologies
- Knowledge of other frameworks
- An eye for design and UI

The job description describes the principal purpose and main elements of the job. It is a guide to the nature of the main duties as they currently exist but is not intended as a wholly comprehensive or permanent schedule of tasks.

Benefits

Apart from the standard things like a competitive salary and contribution-matched pension , we at Outrank are proud to offer a few other sweeteners to help convince you to join us. Things like:

- Commission and Bonus scheme
- Conference attendance
- Meritocratic, fast-track career development for employees who deliver the big ideas
- Frequent travel opportunities
- Increased annual leave based on service
- Bike to work scheme
- Childcare vouchers
- Referral bonus for sales and staff
- EMI scheme

How to apply

Send us your CV along with a covering letter telling us why you're a good fit for Outrank, then make sure your two references don't mind being contacted by us. Then email your application hr@outrank.com.
